

# STUDY NEW MEXICO USA

Study New Mexico USA was established with one goal in mind; to help international students access affordable secondary (high school) and post-secondary (university) education in the United States.

## STUDY NEW MEXICO USA HIGH SCHOOL TO UNIVERSITY SCHOLARSHIP PROGRAM

The only program of its kind in North America, Study New Mexico USA's High School to University Scholarship Program offers international students several unique scholarships to attend university in the United States at a fraction of the cost of what most international students pay to study at a tier-1 American university.
