#### **Professionalism in Diverse Fields**

International student alumni go on to become competitive professionals post-graduation.

## Do you know there's a tradition in TCU?

Every international student on TCU campus is accompanied by Tzu Chi volunteer parents. They provide care to the students by listening to them,

difficulties, sharing experiences of their success sharing experiences of their success and helping with urgent needs. They take care of the students as their own children. Students feel the warmth of family even when their own parents are far away.
